

FAITH COMMUNITIES IN PANDEMIC TIMES

What challenges are faith communities facing during the COVID-19 pandemic, and what important role can they play in this difficult time?
What is the end strategy for the COVID-19 pandemic? What is the likelihood of an 'ethical' vaccine and how will it be administered?

Join our Question & Answer forum for answers to these and many other questions with guest speaker **Professor John Catford**, who is currently a specialist health adviser to the Victorian Government.
